2 Overview

The **Provider Enrollment Portal (PEP) Enrollment Steps – Individual Reference Guide** includes enrollment application instructions and notifications applicable to providers wishing to enroll in the Puerto Rico Medicaid Program (PRMP) using the Provider Enrollment Portal (PEP). In order to complete an application for enrollment as an Individual provider in the PRMP, you must complete all required enrollment steps and submit your application for review.

This document may be used in conjunction with training sessions or as a stand-alone reference resource.

Training participants are assumed to have general familiarity with navigating the internet, using computers, and understanding terminology such as icon, desktop, folders, tabs, browsers, search, toolbars, menus, mouse, hyperlinks, printing options, and save options. It is recommended for participants to bring note-taking materials such as writing utensils, a notepad, highlighters or sticky notes.

This document, along with other PEP training documents, is available in the Puerto Rico Medicaid Program (PRMP) Learning Management System (LMS). You can find it by going to the following link:
